

K-LOVE is a Christian radio station that I listen to practically every waking hour of every single day. K-LOVE is wholesome, family-friendly, and "positive and encouraging." I cannot imagine my life without it. It helps keep me in an attitude of worship and has been a source of continual encouragement for me ever since my son almost committed suicide a little over a year ago. Please do not take K-LOVE away from me and from my community. You would be doing the whole community a terrible disservice. Thank you for your time.
